Dear Hiring Manager,

I am writing to express my interest in this position as advertised. With a strong foundation in computer science and hands-on experience from various projects, I am eager to contribute to your team. My current CGPA is 8.64, and I am expected to graduate in 2025. My projects, including an ATM transaction system developed in C, an Online Venue Booking System using DBMS, Online Voting System using C (DSA), Online Blog System using Django (Full Stack Web Development, showcase my problem-solving skills and my ability to implement effective and efficient solutions.

In addition to my technical expertise, I have developed strong interpersonal skills such as adaptability, understanding, and collaboration. My participation in the National Level Infathon 2023 at Vidya Vardaka College of Engineering, Mysore, highlights my dedication to continuous learning and my capability to excel in challenging environments. I am also passionate about reading, acting, and dancing, which enhance my creativity and communication skills. Furthermore, my proficiency in multiple languages, including English, Kannada, Hindi, Tamil, and Telugu, allows me to communicate and collaborate effectively in diverse settings.

I am particularly interested in contributing to a dynamic and innovative team. I am excited to bring my skills, enthusiasm for learning, and teamwork to your organization. I believe my background and abilities make me a strong candidate for this position. I look forward to the opportunity to discuss how my skills and interests align with your company's goals.

Thank you for considering my application. Please find my resume attached for your review.

Sincerely,

Nidhi KJ
